ADVISORY COUNCIL WRAPS UP SCHOOL YEAR

Robeson Elementary Center Group Meets Quarterly throughout the School Year

Elverson, PA – Members of the Robeson Elementary Center (REC) Advisory Council (AC) recently met for the final time for the school year. Comprised of parents, teachers and support staff, the AC meets once each quarter at the school to discuss various issues surrounding both REC and the Twin Valley School District (TVSD).

The recent meeting included discussion surrounding curriculum, the movement of 4th and 5th graders to Twin Valley Middle School (TVMS) for the 2008-2009 school year, as well as summer programs for students. The committee announced that there will be a Summer Library program at REC beginning June 10th and every Tuesday thereafter through July 29th from 9:00 – 11:00 AM. All students are welcome.

Mr. William McKay, REC principal explained that each year he sends home a letter to parents, teachers and support staff asking if they are interested in becoming a member of the Advisory Council. The response each year is so great that the council members are chosen through random drawings.

###

Twin Valley School District is an equal opportunity public education institution that is committed to excellence in education. In partnership with parents and the community, the District aspires to prepare students for challenges in an ever-changing world.
