MUFFINS AND MORNINGS

Honey Brook Students Celebrate Mom

ELVERSON, PA – When was the last time you shared quality time with your Mom just talking and eating muffins and other goodies? Students at Honey Brook Elementary Center (HBEC) recently had the opportunity to do just that when the HBEC Parent-Teacher Organization (PTO) hosted its annual *Muffins with Mom* program.

Moms were invited to come to school and spend quality time with their children while enjoying an irresistible breakfast favorite! The program took place over two mornings.

“We had a great turnout of both Moms and students,” said Mrs. Susan Lloyd, HBEC principal. “The event continues to grow every year and we were pleased to see so many Moms and their kids having fun together”

Lloyd was very appreciative of all of the volunteers who helped with the event. The HBEC PTO is dedicated to offering events such as *Donuts with Dad* and *Muffins with Mom* for both students and parents in addition to providing educational materials and equipment to HBEC. Due to the support of parents, teachers and the community, the PTO is able to raise funds to provide for these worthwhile events.

###

Twin Valley School District is an equal opportunity public education institution that is committed to excellence in education. In partnership with parents and the community, the District aspires to prepare students for challenges in an ever-changing world.
