TWIN VALLEY HIGH SCHOOL NAMES STUDENTS' OF THE MONTH

Elverson, PA – Twin Valley School District (TVSD) officials are pleased to announce that the following Twin Valley High School (TVHS) students have been named “Student of the Month” for November, 2009 by the high school staff in conjunction with the Twin Valley Rotary.

Junior Kaysi LaFollette has been an Agriculture student and FFA member since her freshmen year. LaFollette has assisted in the coordination of the Annual Citrus sale and the Food for America-Third Grade Tour, for which she is a peer trainer this year. She will work with students new to the program and help them to educate the district’s third grade students. In addition to FFA activities, she is currently enrolled in an Animal Science course. LaFollette was nominated by the high school staff due to her commitment and perseverance. She had interviewed in the spring for an FFA officer position and was not chosen. Rather than separating herself from the FFA, she became even more involved demonstrating leadership qualities. She is a great role model to FFA members and officers as well as one of the most dedicated students in the high school.

Senior Andrew Tamaccio is Vice-President of the Student Council and Captain of the Raiders Football Team. He is a committed student/athlete and takes the time and effort to make TVHS a friendly and positive place for learning. His work on the Student Council includes homecoming, Spirit Week and numerous fund-raising efforts. In academics, he is regarded by his teachers as an excellent writer. Tamaccio is considering attending the University of Pennsylvania to major in business marketing, as well as play football.

###

Twin Valley School District is an equal opportunity public education institution that is committed to excellence in education. In partnership with parents and the community, the District aspires to prepare students for challenges in an ever-changing world.
