Two goals from the Twin Valley School District Strategic Plan will be the focus for the 2009-2010 school year are:

Reading – *The Twin Valley School District will meet the proficiency thresholds in Reading on the annual state-wide PSSA assessments as outlined by the Pennsylvania Department of Education (PDE).*

District Assessment Plan – *The Twin Valley School District will continue to refine our current assessment framework in order to improve our ability to meet the Pennsylvania Academic Standards and improve performance on the PSSA.*

These goals have in turn become initiatives for both the 2008-2009 and the 2009-2010 school years:

In order to accomplish these initiatives, the District has teamed with national noted Professor of Education, Dr. Richard Allington. His publications include over 100 articles, chapters, monographs, and books. He served or serves on the editorial advisory boards of Reading Research Quarterly, Review of Educational Research, Journal of Educational Psychology, Reading Teacher, Elementary School Journal, Journal of Literacy Research, and Remedial and Special Education.

Dr. Allington discusses the “Six T’s” of effective elementary literacy instruction in his article “What I’ve Learned about Effective Reading Instruction.” To read the full text of Dr. Allington’s article click [HERE](#).
