Twin Valley School District
"A Learning Community"

September 4, 2020

Dear Parent/Guardian,

Good Afternoon,

Recently, the USDA announced that it will be extending Seamless Summer Option and Summer Food Service Program waivers that will allow School Food Authorities (SFAs) to serve free meals to all children/students from the ages of 2-18 in the community until December 31, 2020 (contingent on the availability of funding).

This extension applies to all TVSD Students, whether you are participating "In School learning" or "Virtual learning".

For our "In school students", we will be serving free daily breakfast and lunch in each of our school cafeterias. Students will no longer need to present I.D/Pin number at the cashier while we operate under the Seamless Summer option thru December 31, 2020.

For our "Virtual learning students", we will continue our meal distribution on a weekly basis. Under the "SSO", free meals will be offered to all children/students that reside in the Twin Valley School District that are aged 2-18 years regardless of the school they are attending (including TVSD Virtual, cyber/charter schools, private school, homeschooling, etc.). Meal pickup times and locations will be provided via the form below and weekly emails to families. We will continue to require that the Food Service Meal Request Form be completed each week as this will assist the TVSD food service staff to adequately prepare.

If you have any questions please email either Karen Johnson, Food Service Secretary at Kjohnson@tvsd.org or Stephen Amore, Director of Operations at Samore@tvsd.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Amore". The signature is fluid and cursive.
