Happy Friday and Welcome to the TVSD update from Dr. Pleis, Superintendent!

Dear Parents/Guardians:

Please assist Twin Valley School District administration in understanding your current perspectives as we begin to develop plans for opening our schools in the Fall of 2020. While it is entirely too early to know how the health conditions in our area may change over the course of the next few months, our school task force will spend the next month to develop a plan for reopening. The questions listed should not be taken as any specific indication of our intent; they simply provide us with data to inform our process. Some of our decisions will be made for us by health officials and state guidelines. Decisions that can be made by Twin Valley School District staff and School Board will be thoughtful and well communicated in advance. Your patience is appreciated. Your completion of this survey will be invaluable to us; thank you for taking just a couple of minutes to complete and submit no later than Friday, June 26th.

Congratulations to the Reading Eagle 2020 Berks’ Best Performing Arts winner TVHS grad Reid Simmons! Awards were provided by Berks County Community Foundation. Read the full story here!
